

Michael Haskins

Michael began his career in the telecommunications industry in 1980 for Northern Telecom Inc, now Nortel with their newly formed digital switching installation division as a digital switching installer. While at Nortel, Michael held many positions there and supported customers including Independent Telephone Companies in the Midwest as well as Regional Bell Operating Companies including Wisconsin Bell, Michigan Bell, Ohio Bell, Indiana Bell and Cincinnati Bell.

In 1988, Michael left Nortel to join newly formed Iowa Network Services, to support start up operations as a Vice President of Operations.

In 1997, Michael left Iowa Network Services to join newly formed Iowa Wireless Services LP, to support start up operations as Vice President of Operations.

In 2001, Michael was promoted to Chief Operating Officer of Iowa Wireless Services LP and in 2004; Michael was promoted to Chief Executive Officer of Iowa Wireless Services LLC, DBA i wireless.

With nearly thirty years of telecommunications experience, Michael now resides with his family in Urbandale, Iowa.
